BAR OPTIONS

Open Bar

Guests at your event are not charged for beverages. Open Bars are priced per person on the basis of the selected package.

Consumption Bar

Similar to an Open Bar, guests are not charged, and your cost is on a per drink basis.

Cash Bar

Guests pay for their own drinks.

Complimentary Drinks

You can purchase and provide a limited number of complimentary drink tickets to your guests.

Combinations

You may wish to offer an Open Bar for the first few hours of your event and then switch to a Consumption Bar or Cash Bar at a specified time. Or if you provide Complimentary Drink Tickets, you may wish to additionally offer a Cash Bar.

Every event is unique, so our pricing is based on the Bar Option you select, as well as on the liquor, beer and wine brands you choose to have us serve.

- *There's a per-hour fee for each Bartender, including travel, set up and clean up time.*
- *In addition to drink costs, there's a per-guest set-up fee, which includes bar set up, mixers, garnishes, disposable glassware and ice.*
- *Costs are subject to sales tax, and an 18% service charge is added to all Open and Consumption Bars.*
- *Trash removal is not included, but can be arranged for an additional fee.*
